

In 2019 from March to April Regional Workshops on Agromet Advisory Service were organized in 14 regions namely Rangpur, Bogura, Dhaka, Mymensingh, Cumilla, Sylhet, Chattogram, Rangamati, Rajshahi, Dinajpur, Jassore, Khulna, Barishal and Faridpur. The objectives of the regional workshop are:

- To familiarize all the stake holders including the farmers about the on-going and future activities of the AMISDP project of the Department of Extension.
- To address the role and greater participation of all concerned in the agricultural activities including livestock, poultry and fisheries in the region for increasing the income of small and marginal farmers by utilizing the favourable weather and also saving the crop/livestock/poultry/fish from extreme weather
