

Special Agromet Advisories for Rangpur, Mymensingh & Sylhet Division and the districts of Rangamati, Joypurhat, Khagrachari, Brahmanbaria, Chandpur & Gazipur, Narsingdi, Munshiganj & Banderban

ISSUED ON: JUNE 19, 2019.

Due to advancement of Southwest Monsoon and also pre-monsoon thunderstorm activities, significant rainfall along with temporary gusty wind is likely at Rangpur, Mymensingh & Sylhet Division and the districts of Rangamati, Joypurhat, Khagrachari, Brahmanbaria, Chandpur & Gazipur, Narsingdi, Munshiganj & Banderban.

Salient Agromet Advisories.

- Advise for preparation of seeded for Aman paddy in *kharif* season
- Start Transplanting of Aus Paddy
- Drain out excess water from the vegetable and Jute field
- Avoid application of fertilizers, pesticides and irrigation
- Provide mechanical support with bamboo to banana and horticultural crops due to expected gusty wind.
